4th - 6th is 8:10 - 12:20; Active screening begins at 8:00 for 4th - 6th

DROP OFF & PICK-UP

When dropping off and picking up, please try to adhere to this process:

Kindergarteners, 3rd and 5th graders in the bus loop; 1st, 2nd, 4th and 6th graders in the front of the school loop. If you are dropping off multiple students across grade levels, simply pick one location, let your teachers know which it will be and please be consistent. Remember, students need to be actively screened upon drop off, so please don't drive away until you get a "thumbs up" from staff. Please be on time for pick-up. We are supposed to maintain social distancing and with the limited pick-up time, we want to ensure that we keep your child safely distanced.

MASKS & PPE

All students and staff will be required to wear masks while on campus, as will any visitors to the office. Please ensure that your student has a mask that fits or a shield with a drape. If your child does not have one, (s)he will be provided a disposable one for the day.

FOOD & DRINKS

We are not serving lunch at school—there is still lunch being served to go and our plan is to have students take a bag lunch home with them. We will be providing one snack a day while students are on campus, likely during recess, but will not be offering drinks. Water fountains are inaccessible because of COVID, so it would be a great help if you could send your student with a water bottle (disposable or reusable).

RECESS INFORMATION

Students will have a 10-15 minute recess daily. There will be two classrooms on the playground in different locations, so they will not mix. Students will be required to use hand sanitizer or to wash their hands both before and after recess. They will be able to play on the play structure and to use playground equipment with their classroom peers, but not with any other students.
